PRESIDENT'S MESSAGE

Well as some of you have already heard Cougar Mountain Archers will host the 2005 CBH State Broadhead Tournament on Memorial Day weekend. We will have a list of dates for work parties at our next meeting so please try and attend. We will start range work a little earlier than normal but we are preparing for two shoots that will be about three weeks apart. Our club should make a good profit from our efforts so plan on attending as many work dates as possible.

The excitement from other clubs about us hosting this shoot has been great and sounds like we will have a very strong turnout.

I will have a work signup sheet at our next meeting so that you may see what all shoot day jobs need workers for and volunteer.

This sounds like a very good year for archery in the North State and we should be proud of our participation. Try to make as many shoots as you can this year and help to keep all clubs alive.

Thank you,
SHOOT EM STRAIGHT
Darryl

CBH/SAA OFFICER CHANGES

To One and All -

It has been a lot of fun working with all of you through archery for the last 14 years as your state secretary/treasurer.

Effective tomorrow morning, Marlene Kinney will be your new state secretary. She is ready and willing to take on the task. Marlene will be handling all membership questions, meeting information, calendar events, etc. Her e-mail address is

CBH/SAA (Continued from page 1)

cbhsec@comcast.net Her phone number is 925-208-2036. She's been involved at the club and regional level for several years and is really enthusiastic about her new role.

I will still be handling any money questions, state championship patches, and all advertising. My new e-mail address is bowaero@frontiernet.net and phone number is 916-682-6745. The current CBH/SAA e-mail address and phone will be cancelled on the 3rd with a referral message to Marlene's number.

Thanks again for all the help and support you have shown me and please keep it up for Marlene. We are both excited about this split in a very LARGE job for the state organization.

The website www.cbhsaa.org has been brought up to date with all the officer changes. We will also print a listing in the April issue of the CBH/SAA News which will include the regional officers.

Thanks again.

CBH/SAA CONSTITUTION

Hi Gang -

The CBH/SAA Constitution and ByLaws is on the website. www.cbhsaa.org Larry Pyle did a lot of work to format it for me. He deserves a BIG HAND and THANKS.

It is set up that you can click on an item in the Table of Contents and it goes directly to that item in the constitution.
