PRESIDENT'S MESSAGE

Well as our Work Party dates approach we hope the weather cooperates and we see all of you at the range. We have several trees down on the range and we need all the help we can get. We will also be getting new straw bales that will need to be tightened and put out. The Practice range will be completely re-baled and then birdie targets. We will replace center bales out to 30 yards. After our first work day there will be a list of to-do items on the range so if you are not able to make a work day maybe you can come out another day and take care of something on that list. I will hang it in registration.

Our animals for major repair have been taken to Raglin 3D's in Red Bluff and we have some minor repairs and repainting to do on remaining animals.

Hope to see several of you at the West Valley shoot on April 3rd.

Thank you,

SHOOT EM STRAIGHT

Darryl

CLUB CALENDAR

April

05 Meeting

Blueberry Twist

7 pm

10 Club Shoot
