PRESIDENT'S MESSAGE

While helping Joe Husted celebrate his 86th birthday on Saturday the 18th of November Joe and friends were setting around telling stories about their animals. Several stories were told then Joe decided it was his turn. Seems Joe had a dog which was a pointer. While out in his back yard there was a Gofer which keep popping up. His dog spotted it and of course the dog started to point. Joe called the dog but he wouldn't break his point. Joe decided to go get his bow and backs off about 10 yds. lets an arrow fly and get the Gofer in the Head. Thereby getting the Dog off point. So it should be noted that Joe is an accomplished Hunter with a Bow and Arrow. While still visiting him he brought out an old flyer from his younger days in Archery. It was one about the 10th Annual Yolo Trail Shoot. March 31, 1966 (He thinks) Adults \$2.00 Husband and wife \$3.50 Youth \$1.00 Food at Modest Prices. Stuffed - Moving fun & Novelty Targets. Awards to 3rd place, Souvenir Trophies.. Range four miles west of winters on Putah Cr. It is my understanding that the animals on this Flyer were hand made by the Yolo Club. A person could say that Archery has made quite a few improvements in the past 40 years.
