PRESIDENT'S MESSAGE

I attended the NorCal meeting this past Wednesday. Most of an hour was given to the subject of Senior and Master Senior shooters. There seems to be a different opinion in almost all the clubs as to whether to have the divisions or not. NFAA states the rules for these divisions. At Invitational shoots there should be these divisions. At Novelty shoots it is not required.

Some Clubs give awards for these divisions. Some clubs do not. Some Clubs give a discount some do not. So think about this subject when next we meet. For I shall ask you for your opinion.

Again I would like to thank all the members who did all the work while I was gone on Vacation.

Remember the next Work Party we plan on compressing the bails and replacing the old ones.

The food at the last work party was very good and plenty of it, It would be nice if we could get a few more people to join in.

Thank You.

Watachie

CBH/SAA ALERT

Saturday, April 14, 2007 4:33 PM

Greetings Archers,

I have revised applications for both Regular and Associate Memberships. I have added information that may be of help. Please share the app with clubs and shops for potential memberships. I am sending hard copies to the clubs and shops but need support from everyone in promoting membership in the organization that supports archery in its many forms. If we are to grow as an organization, it will be from the grass roots one on one. The application will be on the Websites in the future. We still get the old forms and dues.

Thank you for your help.
Bobbie Rosario
Secretary CBH/SAA
