ANNUAL CLUB SHOOT, BBQ/POTLUCK & MEETING

SATURDAY, JULY 7 --- 9:00 AM

Please bring your favorite side dish, salad or dessert to share.

The club will provide the meat, sodas, paper plates and utensils.

PRESIDENT'S MESSAGE

Our annual Father's Day shoot was I believe a successful shoot. It seemed to me that we had several people who came for the first time. And some of the usual shooters were not there. However, we had 268 paid shooters. Just a few short of last year. Considering the high cost of fuel I feel we were very fortunate in having as many as we did.

Several shooters came as far away as Reno area. The President of the new club out of Loyalton was in attendance. He brought flyers announcing their shoot for this coming weekend. If we want to keep people like the ones from Reno area and Loyalton coming back I think it would be a great to do a return visit in the future.

There will a Pot Luck Lunch and a Business meeting on Saturday, July 7, 2007. Members should treat this as a Club Shoot day and enjoy a little archery before lunch. Lunch should be Started by 12 noon with a business meeting shortly after lunch.

Thank You

Watchie

Don Harris

See the actual printed newsletter for the minutes of the last meeting.
