PRESIDENT'S MESSAGE

I need to notify everyone that there will be a work party at the range on Saturday the 24th of November. I need the Range Captains and anyone else who is interested in getting the animals ready early to be there. I am going to try to get them up to Ragland on that day. If no one from Challenge area volunteers to take them then Jim Perry or I will do it. But we need the help of others unloading the container and loading the Trailer.
