## PRESIDENT'S MESSAGE

Sorry for the delay in putting anything together for the newsletter, but now the shoot season is upon us.

This past weekend was the Yuba-Sutter invitational and they had a large turnout, beautiful weather and it appeared from my standpoint that everything went well.

In case you were not aware, John Sheldon had Achilles tendon surgery so he was on crutches and was the camp host most of the weekend. I did hear some funny noises though when Darryl had to help him take off his jeans each night.

We're hoping for a little rain in the near future to melt the snow at the range so we can get in and take inventory of the latest damages and necessary clean up.

Hope to see you at the next meeting.

Jim
