PRESIDENT'S MESSAGE

The tournament season is upon us and several of the members have been attending some of the local invitationals (although some of the weather wasn't the greatest). There are several up-coming events and Julie and I hope to be able to shoot a number of them and we hope to see you there. Now that spring has sprung, if the weather cooperates, we should be able to start some of the minor repairs and straw replacement. The work party schedule is attached and I hope to see you at the range.

Jim
