PRESIDENT'S MESSAGE: Jim Clawson

As you are all aware, we are on the count down to our next Cougar Mountain Invitational. The 23rd Invitational by the way. At the last work party on the 19th of May, John Sheldon picked up and delivered the cardboard target material and it was all banded for distribution onto the range. A good portion was installed and just the Animal Round needs the new targets. Also, the repaired and new pin up animals have been picked up and will be delivered to the range on Memorial Weekend. Hope to see you at the range or next meeting. We still have several open spots on the sign up sheet for Job Assignments for Saturday and Sunday of the shoot. If you can't attend a meeting and would like to volunteer, please call me @ 891-0316 and I'll go over the needed areas. Jim

Scheduled work days,
5/29, 6/5 & 6/12 and of course the weekend of 6/19 for the shoot itself.

LEGISLATIVE INFORMATION: by: **Joe Becker**

California Department of Fish & Game just this past week got the 2010 Hunting Digest out to license agents and last years hunters. The bad part is don't lay them in the corner for very long, as you have to have your big game tag applications in Sacramento DFG office by June 2nd which is less than a week away with a few non mail days included.

There are a few new hunts in the offering, and several good Junior hunts but non listed as archery. If you have not in the past applied for an elk, antelope or sheep hunt, those generally are great hunts when drawn. So I encourage you to apply for one of those special hunts.

As for legislation of proposed new laws, our politicians are still burning the night oil figuring ways of passing new laws to restrict our rights, both in California and Federally. So keep in touch with your legislatures and make sure they know your wishes on hunting, conservation and gun control. Or very soon you may not have any of those rights. Vote in the June primary election, every vote counts. Many elections have been won by less than 10 votes, **every ballot counts.**
