### **CLUB MEETING:**

Our next club meeting will not be held until OCTOBER 5, 2010. Hunting season is here. Printed in this Newsletter is our July Minutes for review. We will not print any club news for September, but will mail out a notice of some type end of September stating when & where October Meeting will take place.

If all of our hunters will mail photos of your tagged animals which you placed in the freezer, that would give me info for a Photo Newsletter to enjoy prior to the next meeting. Shot stories to go with photos would also be great.

As I do not have any club news other than July Minutes from officers or club members, this Newsletter will be short.
