CLUB MEETING:

Our next Meeting will be on May 7th, 2013 at Mountain Mikes Pizza in the shopping center 1901 Oro Dam Blvd. Oroville at 7:00 PM. Come early and enjoy some pizza while fellowshipping with other members and eating prior to meeting time.

PRESIDENT'S MESSAGE:

Hello fellow club members and archers. As you know the archery season is well on the way. We've seen club members at several of the shoots and hope all is going well. As for our shoot, preparations are under way and work parties are scheduled. Hope to see you at the meetings or at the work parties. One other item we need to consider collecting raffle prizes, please keep this in mind if you happen to see something on sale or when approaching a potential donor. If you can't make a meeting, and have any questions or comments, please call me or one of the other officers.

Jim

Hunting News:

California's New Hunting Licenses are available already I am told, as of yet have not seen any proposed hunt information. Though per what Robert Moore our Leg. Coordinator told me a few weeks ago we do not expect any major problems or changes in hunting zones or seasons for archery presently.

As am sure all of you realize that is not the same case for firearm new laws or restrictions. With anti-firearm Legislators having a super majority in our State Legislature and an anti-firearm governor, presently we firearm owners are at their mercy. All we presently can be thankful for is most of our Northern California Government Representatives understand our positions, and most County Sheriff's in this end of state have went on record to Washington stating they support the 2nd Amendment of our Constitution.

Be safe, enjoy your summer and we wish you the best shot and hits any archer could pray for in your tournaments or hunting activities. See you at our meeting or for sure at our June Open as am sure you understand club will need all assistance in hosting our Tournament Membership can give.
