### **PRESIDENT'S MESSAGE:**

Well another shoot has come and gone. If you haven't heard, we had 302 archers this year. Heck of a turnout.....It seems that each year we are short of folks for all of the different assignments, but at the last minute it all seems to work out. I want to thank all of the members, family and friends that helped to make this another successful event. Our next meeting will be July 13th at the range with a pot luck lunch. Eat around 1:00, club to furnish drinks and the main course. Come early and we'll set out 14-3D animals...  
President Jim

June 21 & 22, 2014 Bowhunter Education Class at our Archery range. We had 22 students attend the class sponsored by our club, many students camped at our range from Friday afternoon to Certification time at 4PM Sunday total of 14 hours class discussions. Of the 22 from 12 years to adults, both male and female, novice and experienced hunters. One game warden and a California hunter education instructor were students. They came from Adin, Redding, Taylorville, Janesville, Chico, Oroville and Penn Valley this was one of the larger classes we have taught in the past several years, others were registered who did not attend for several conflicting reasons. Between our club and some members a hamburger or hot dog lunch was provided both days of class. Hunting movies were shown both evenings.

Also enjoying our archery complex at the same time was about 47 Search and Rescue Horsemen from 6 counties of Northern California attending several training classes, camping and socializing.
